REGISTRATION PROCEDURES: Resident registration is taken on a first-come-first-serve basis and begins immediately upon attainment of this brochure. York Center Park District residents will have priority. Programs have a minimum and maximum enrollment rate. Previous enrollment does not guarantee a reservation in any program except our semester preschool programs. A waiting list will be made if a program is full. Registration for programs will be held at the York Center Park District Administrative Office, 1609 S. Luther Avenue, Lombard (four blocks south of Roosevelt Road and two blocks east of Meyers Road). Advanced registration is strongly encouraged! All fees must be paid at the time of registration. Office hours are Monday through Friday, 9:00 a.m.-5:00 p.m. There is a \$20 charge on all returned checks. Visa and Mastercard accepted. No fax registration will be accepted. See registration form on page 37-38.

REGISTRATION DEADLINES: Unless otherwise noted, the registration deadline for all programs is one week prior to the start of the first class session. Registrations are still accepted after this deadline; however, the class may be filled to capacity or canceled due to low enrollment. Please register early to avoid being disappointed.

MAIL-IN & PHONE REGISTRATION: Mail-in registration will be accepted. Mail your registration form and payment to the York Center Park District at 1609 S. Luther Avenue, Lombard, IL 60148. The registration form and waiver is located on page 37-38 of this brochure or may be downloaded from our website at www.yorkcenterparks.org. Phone registration is now being accepted by calling (630) 629-0886 during normal business hours Monday-Friday, 9:00 a.m.-5:00 p.m. We only accept Visa and MasterCard. Voicemail registration is not accepted. The registration form and waiver must be completed before starting any program.

RESIDENT AND NON-RESIDENT FEES: Those residing within the York Center Park District's boundaries may participate in programs at resident rates. Residents may register anytime during office hours. Early registration means better planning and purchasing by staff and instructors. The York Center Park District boundaries have been determined as Roosevelt Road to the North, Fairfield to the West, Michigan to the East and Butterfield Road to the South. Refer to the map on the inside back cover.

REFUNDS: Refund requests must be submitted at least one week prior to the start of a program or class. A \$3.00 service fee will be deducted from the amount paid. If the Park District finds it necessary to cancel a program after the second session, a pro-rated refund will be made for the remaining sessions. Refunds cannot be given for outings unless a substitute can be found beforehand or if the trip is cancelled. Please note: Due to circumstances beyond York Center Park District's control, some trips or instructional programs may be subject to change or cancellation. Please register early so we do not have to postpone or cancel programs.

PAPERWORK: There is a \$10.00 fee for all yearly receipts processed by office staff.

INSURANCE: The York Center Park District does not provide medical insurance coverage for those participating in recreation programs or while using park facilities. Such insurance would make programs and user fees prohibitive.

WAIVERS: York Center Park District does not accept liability for participants injured in a Park District program. Participants must furnish their own medical and accident insurance. All participants must sign the multiple waiver and release form which is located on the reverse side of the registration form. See waiver on page 37-38.

AMERICAN DISABILITIES ACT (ADA): People with disabilities, please note: The York Center Park District will not discriminate against eligible residents for participation on the basis of a disabling condition. "WE INVITE ANY PARTICIPANT WITH A SPECIAL NEED TO CONTACT OUR STAFF UPON REGISTRATION SO THAT A SMOOTH INCLUSION MAY OCCUR." In addition to the programs listed here, our district provides additional specialized services for people with disabilities through Gateway. Feel free to call them at (630) 325-3857, or see the Special Recreation Association page in this brochure. See more information on page 58.

CODE OF CONDUCT/BEHAVIOR EXPECTATIONS

YCPD participants are expected to demonstrate appropriate behavior at all times. The following is a list of the Park District's behavior codes, which have been developed to help make the programs safe and enjoyable for all participants. Additional rules or guidelines may be developed for specific programs if deemed necessary by YCPD staff.

1. Show respect to fellow participants and staff.
2. Abstain from using abusive or foul language.
3. Abstain from causing or threatening bodily harm to self, fellow participants or staff.
4. Show respect to equipment and facilities.

Additional or individual behavior management plans may be developed based on the advice of parents, guardians, YCPD staff, or other professionals. A caring, fair and positive approach will be utilized regarding the use of any disciplinary methods. Each situation will be evaluated individually and on its own merit.

YCPD reserves the right to dismiss a participant at any time.

FISHING RULES AND REGULATIONS

You are welcome to fish in Lake Yelenich and Knolls Park ponds. Enjoy the outdoors and companionship of fellow fishermen. The waters are stocked with channel catfish, bass, sunfish, bluegill and trout. All individuals must have a York Center Park District fishing permit, Illinois State fishing license and Inland Trout Stamp. A YCPD permit may be purchased in the office during regular office hours. Check local stores for Illinois State license and trout stamp for purchase. Park district fishing patrol will check licenses. **Fees are as follows:**

Age	Resident Fee	Non-Resident Fee
6 & under	FREE	\$7
7-17 years	\$12	\$18
18-64 years	\$15	\$30
65 & up	FREE	\$15
Daily Permits	\$5	\$10

**Disabled exemption - FREE YCPD permit with proof of disability. Park district residents must provide proof of residency by presenting a valid photo ID in order to be issued a York Center Park District pass.

PET OWNERS: When visiting local parks with your pet, please remember that agency ordinances require dogs to be leashed at all times. Dogs are not allowed at any time on athletic fields, playground areas and jogging or bike paths. The person in control of the pet is responsible for cleaning up waste.

GEESE ENTHUSIASTS: Feeding ducks and geese has been a favorite pastime for many people. Unfortunately, Mother Nature never intended waterfowl to be given food that is provided by humans. Ducks and geese naturally feed upon aquatic plants, grains, insects and sometimes fish. Problems arise when the birds are fed unnatural foods. If you are truly concerned for the welfare of these wild creatures, please do not feed the ducks and geese.

PRAIRIE PATH: York Center Park District is proud to have a natural native Prairie Path in Knolls Park, which is located just two blocks west of Meyers Road, next to the Montini High School ball fields on 16th Street. Less than 1% of the natural, native prairies remain in Illinois. A special thank you goes to Irene Mostek for all of her hard work and dedication to the Prairie Path.

PARK WATCH: We need your help in keeping the parks clean, safe and free of vandalism. If you find any broken equipment, or have any other safety concerns about the facilities, please contact the Park District. If you see vandalism occurring in the parks, please contact the sheriff's department by calling 911. The park district is committed to providing a safe place for recreational activities and would prefer to enhance the quality of the parks rather than replace vandalized equipment. Thank you for your support in our efforts to provide the residents of the park district with quality sites and facilities.

TREE MEMORIAL/SPONSORSHIP PROGRAM: This is an opportunity to remember life's special moments or commemorate loved ones with a live tree. It is a unique way to symbolize a birth, wedding day, graduation, retirement or death. Businesses, groups, churches and families may contribute to our community's beautification with donations to the Tree Memorial/Sponsorship Program. You may choose from several varieties of trees. Your tree will be identified with a plaque adjacent to it. Donors will be presented with a certificate. To obtain an application stop by the office. Trees range in price from \$250-\$500. Applications are available at the Administration's office front desk.

PHOTOGRAPHS: The York Center Park District may take photographs of people enjoying programs, special events, parks and facilities. These photographs are used for our publications, recreation guides or cable programs. They are the sole property of the Park District and will be used at its discretion. So, the next time you see a camera, make sure you SMILE.

ICE SKATING: Ice-skating will no longer be permitted on York Center Park District ponds. There will be an ice rink created at Knolls Community Park for all to enjoy. We encourage sport games on the ice, but please be courteous to children and families who enjoy pleasure skating. The ice rink will be open daily from sunrise until 10:00 pm.

ICE FISHING: Ice fishing is allowed on the Park District ponds at Lake Yelenich Park, and Knolls Park. Fisherman must follow the ice condition warning flags posted at each lake, and must have a valid state and York Center fishing permit.

Ice Condition Warning Flags:
GREEN: Adequate ice conditions exist; fishing permitted
RED: Ice conditions are not safe; fishing prohibited

York Center Park District - Mission & Vision

The York Center Park District was organized in 1971 with the following goals:

- To conduct programs which will enhance the leisure life of residents and their families.
- To encourage groups to develop such programs.
- To conserve the area's natural environment values.
- To acquire, protect, and develop other valuable resources.
- To strive to protect the community from environmentally destructive and degrading influences.

In order to facilitate the achievement of these goals, the Board of Commissioners has approved a series of policies and ordinances governing the operation of the district. Procedures have been developed to carry out these policies.

Through these policies and procedures, the Board of Commissioners and staff of the York Center Park District maintain their commitment to providing a high quality of leisure service to all residents of the district.

Dear Residents,

What a beautiful time of year to witness the change of seasons. I hope you had a chance to visit the parks this past fall and participate in some programs. We had a great time this past fall at the World Wide Day of Play in September, the Halloween Carnival in October and the Turkey Shoot in November! We are proud to offer many special events throughout the year that bring families together. We have a special page in the brochure dedicated to family events. With this economy it is difficult to entertain children without spending a fortune. We have planned many fun and new programs and events for the Winter/Spring season. We hope you will take advantage of them and enjoy quality leisure time with your family.

We are excited to announce that we received a Fishing Grant from the National Parks and Recreation Association. This \$5,000 grant will help us spread the word about fishing to all participants that live in the area. Our goal is to teach and educate all who want to learn about the great sport of fishing.

Concerning our newest park, Knolls Community Park, we have two more interactive signs to install at the park and it will then be complete. We hope you will be able to walk the paths, work out on the new equipment and enjoy the beauty of the seasons. We are still offering you this limited opportunity to purchase a brick which will be added to the walkways in the new park. Bricks may be purchased for different prices depending on the size and the names you would like engraved on them. Participants, organizations, and associations may also donate money to purchase a park bench, tree, and or signs. For more information, please see the bottom of this page for pricing and detailed information. This is a great way to remember a loved one, or celebrate one of life's special moments.

We hope to see you at the events or enjoying the beauty of the parks. Best of luck, great health and happiness to you and your family this holiday season and throughout the New Year! Remember to take time for fun with family and friends.

Best Regards,

Sharon Neubauer
Executive Director

We ask that you be prompt at the time of pick-ups, as the program ends at 6:00 p.m. Campers MUST provide their own lunch and we ask that parents use disposable lunch bags labeled with the child's name.
