York Center Park District

REGISTRATION PROCEDURES: Resident registration is taken on a first-come-first-serve basis and begins immediately upon attainment of this brochure. York Center Park District residents will have priority. Programs have a minimum and maximum enrollment rate. Previous enrollment does not guarantee a reservation in any program except our semester preschool programs. A waiting list will be made if a program is full. Registration for programs will be held at the York Center Park District Administrative Office, 1609 S. Luther Avenue, Lombard (four blocks south of Roosevelt Road and two blocks east of Meyers Road). Advanced registration is strongly encouraged! All fees must be paid at the time of registration. Office hours are Monday through Friday, 9:00 a.m.-5:00 pm There is a \$20 charge on all returned checks. Visa and Mastercard accepted. No fax registration will be accepted. See registration form on page 25-26.

REGISTRATION DEADLINES: Unless otherwise noted, the registration deadline for all programs is one week prior to the start of the first class session. Registrations are still accepted after this deadline; however, the class may be filled to capacity or canceled due to low enrollment. Please register early to avoid being disappointed.

MAIL-IN & PHONE REGISTRATION: Mail-in registration will be accepted. Mail your registration form and payment to the York Center Park District at 1609 S. Luther Avenue, Lombard, IL 60148. The registration form and waiver is located on page 25-26 of this brochure or may be downloaded from our website at www.yorkcenterparks.org. Phone registration is now being accepted by calling (630) 629-0886 during normal business hours Monday-Friday, 9:00 a.m.-5:00 pm We only accept Visa and MasterCard. Voicemail registration is not accepted. The registration form and waiver must be completed before starting any program.

RESIDENT AND NON-RESIDENT FEES: Those residing within the York Center Park District's boundaries may participate in programs at resident rates. Residents may register anytime during office hours. Early registration means better planning and purchasing by staff and instructors. The York Center Park District boundaries have been determined as Roosevelt Road to the North, Fairfield to the West, Michigan to the East and Butterfield Road to the South. Refer to the map on the inside back cover.

REFUNDS: Refund requests must be submitted at least one week prior to the start of a program or class. A \$3.00 service fee will be deducted from the amount paid and a check will be mailed to the recipients address. No cash refunds will be given. If the Park District finds it necessary to cancel a program after the second session, a pro-rated refund will be made for the remaining sessions. Refunds cannot be given for outings unless a substitute can be found beforehand or if the trip is cancelled. Please note: Due to circumstances beyond York Center Park District's control, some trips or instructional programs may be subject to change or cancellation. Please register early so we do not have to postpone or cancel programs.

PAPERWORK: There is a \$10 fee for all yearly receipts processed by office staff.

INSURANCE: The York Center Park District does not provide medical insurance coverage for those participating in recreation programs or while using park facilities. Such insurance would make programs and user fees prohibitive.

WAIVERS: York Center Park District does not accept liability for participants injured in a Park District program. Participants must furnish their own medical and accident insurance. All participants must sign the multiple waiver and release form which is located on the reverse side of the registration form. See waiver on page 25-26.

AMERICAN DISABILITIES ACT (ADA): People with disabilities, please note: The York Center Park District will not discriminate against eligible residents for participation on the basis of a disabling condition. "WE INVITE ANY PARTICIPANT WITH A SPECIAL NEED TO CONTACT OUR STAFF UPON REGISTRATION SO THAT A SMOOTH INCLUSION MAY OCCUR." In addition to the programs listed here, our district provides additional specialized services for people with disabilities through Gateway. Feel free to call them at (630) 325-3857, or see the Special Recreation Association page in this brochure. See more information on page 41.

CODE OF CONDUCT/BEHAVIOR EXPECTATIONS: YCPD participants are expected to demonstrate appropriate behavior at all times. The following is a list of the Park District's behavior codes, which have been developed to help make the programs safe and enjoyable for all participants. Additional rules or guidelines may be developed for specific programs if deemed necessary by YCPD staff.

1. Show respect to fellow participants and staff.
2. Abstain from using abusive or foul language.
3. Abstain from causing or threatening bodily harm to self, fellow participants or staff.
4. Show respect to equipment and facilities.

Additional or individual behavior management plans may be developed based on the advice of parents, guardians, YCPD staff, or other professionals. A caring, fair and positive approach will be utilized regarding the use of any disciplinary methods. Each situation will be evaluated individually and on its own merit. YCPD reserves the right to dismiss a participant at any time.

GEESE ENTHUSIASTS: Feeding ducks and geese has been a favorite pastime for many people. Unfortunately, Mother Nature never intended waterfowl to be given food that is provided by humans. Ducks and geese naturally feed upon aquatic plants, grains, insects and sometimes fish. Problems arise when the birds are fed unnatural foods. If you are truly concerned for the welfare of these wild creatures, please do not feed the ducks and geese.

PRAIRIE PATH: York Center Park District is proud to have a natural native Prairie Path in Knolls Park, which is located just two blocks west of Meyers Road, next to the Montini High School ball fields on 16th Street. Less than 1% of the natural, native prairies remain in Illinois. A special thank you goes to Irene Mostek for all of her hard work and dedication to the Prairie Path.

Thank you for your support in our efforts to provide the residents of the park district with quality sites and facilities.

York Center Park District - Mission & Vision

The York Center Park District was organized in 1971 with the following goals:

- To conduct programs which will enhance the leisure life of residents and their families.
- To encourage groups to develop such programs.
- To conserve the area's natural environment values.
- To acquire, protect, and develop other valuable resources.
- To strive to protect the community from environmentally destructive and degrading influences.

In order to facilitate the achievement of these goals, the Board of Commissioners has approved a series of policies and ordinances governing the operation of the district. Procedures have been developed to carry out these policies. Through these policies and procedures, the Board of Commissioners and staff of the York Center Park District maintain their commitment to providing a high quality of leisure service to all residents of the district.

Dear Residents,

It is with great pride and excitement that we celebrate the York Center Park District's 40th Anniversary! We have come a long way from the way we were in 1971. We have accomplished many projects to get us where we are today because of the hard work and dedication from many of the volunteer Commissioners and hundreds of staff members that worked for the district. Their creativity, inspiration, time, and commitment have made the district what it is today.

The original concept of recreation within the park district boundaries began with the "Lighted School Program" that was planned and implemented by the York Center School PTA. This program offered community recreational programs in the evenings in order to accommodate the recreational needs of this fast growing community. Chuck and Audrey Prazma were instrumental in starting the park district.

In 1973 the opportunity arose to purchase the George Yelenich property at 1609 S. Luther Avenue in unincorporated Lombard. The property included a one bedroom brick home, two garages and six acres of land with a developed lake, which is now called Lake Yelenich Park. Afterwards, was the purchase of Villa Roosevelt Park, Grammercy Park and a 25 year lease with York Township for the use of Knolls Park.

In 1993, the park district added a new community center to the office. The additional improvements included a gymnasium, preschool room, dance studio, kitchen, museum/board room, front lobby area, office and storage in an 8,356 square foot building. This expansion project made it possible to better accommodate the needs of the district residents and the surrounding communities. Today we offer more than 400 programs annually.

In 2004 we bought the Waste Management site and created a 6.2 acre park. Four grants made this park possible. We received two grants from the Illinois Department of Natural Resources. The first grant was \$602,500 and was used purchase the property. The second grant was for \$394,700 to help with the construction of the park. We received \$20,000 from the Department of Commerce and Economic Opportunities with the help of Representative Sandra Pihos of the 42nd district and \$83,500 from the Access to Recreation Initiative funded by The W.K Kellogg Foundation. David McGowan, president of The DuPage Community Foundation, was instrumental in helping us obtain the additional funding. We also worked with Mark Trieglaff, President of Accessibility Consultation and Training services to help us make the park totally accessible for all age groups.

The park includes formal gardens, a fountain feature, interactive nature stations, an accessible fishing pier, fitness stations, a Bocce Ball court, Bags court, Council ring, picnic pavilion, open green space and nature trails for year around accessibility. Some of the signs in the park have sound towers attached to them so that you may hear coyote sounds, birds etc.

We are pleased to announce that we are moving forward to construct a Nature Center at the Knolls Community Park. We have applied for the new PARC grant made possible by the Illinois Park and Recreational Facility Construction Grant Program sponsored by the Illinois Department of Natural Resources. We have received many letters of support including letters from State Representative, Sandra Pihos, and the Chief of the York Center Fire Protection District, Chief Andy Bonomo and York Township Supervisor, John Vallee. With a new nature center we would be able to offer many educational programs, nature displays, and special events. We are still waiting to hear if our grant will be accepted.

This brochure is one of our largest ever to date. We are offering a variety of programs and events for all ages and participants. We will be having a 40th Anniversary party this summer to celebrate 40 years of fun recreational opportunities over the past four decades. We hope you will participate in a program, special event, outing or just come out and enjoy some of our 44 acres of park land.

Thank you for all your support throughout the years. The children's laughter and smiles on their faces make our jobs very worthwhile. To see someone enjoying the park, participating in a program or event, gives us a feeling of great pride and accomplishment. Ralph Waldo Emerson once said, "to laugh often and much, to win the respect of intelligent people and affection of children, to earn the appreciation of honest critics, and endure the betrayal of false friends, to appreciate beauty, to find the best in others, to leave the world a bit better, whether by a healthy child, a garden patch, or a redeemed social condition, to know even one life has breathed easier because you have lived, THIS is to have succeeded".

Once again, thank you! Enjoy the changing seasons and your time with family and friends.

Best Regards,
Sharon Neubauer
