The Board Commissioners of York Center Park District are ever mindful that the public parks and facilities are held in trust by the Board for the use and enjoyment of the general public and that this is a valuable right. For these reasons, the Board intends to make the parks available for the various uses with these stipulations:

- A. The Board will not delegate to any group its duty of administering the parks.
- B. Permission to use the parks and facilities will be granted only where the function can be reasonably accommodated by the park system and such use will not unduly interfere with the rights of the general public health and safety of the community.
- C. Permission to use the parks by groups for a non-sponsored park function should be upon application and issuance of a permit.
- D. Any permit used may contain conditions that will protect park property and assure orderly and proper use of the parks.
- E. The granting of a permit is not to be construed, as an endorsement by the Board of the subject matter discussed, the opinions expressed, nor the organization sponsoring the function. Any permit granted may be revoked by the Director because of conflict with organized district activities, misrepresentation in the application or violations of the terms and conditions of the permit, the ordinances, rules, and regulations of the York Center Park District and the laws of the State of Illinois.
